

PRESS RELEASE

FOR IMMEDIATE RELEASE

## COLABOR GROUP COMPLETES ACQUISITION OF THE ASSETS OF RTD DISTRIBUTIONS LTÉE

Boucherville, Quebec, September 21, 2010 – Colabor Group Inc. (TSX: GCL) (“Colabor” or the “Company”) today announced the closing of the acquisition of the assets of RTD Distributions Ltée (“RTD”), one of Colabor’s largest affiliated distributors in eastern Quebec. The assets acquired include 100% ownership of Transport Paul-Émile Dubé Ltée and shares held by RTD in the equity of Colabor Investments Inc., representing 3.85% of the equity of Colabor Investments Inc.

RTD, founded in 1949, specializes in the distribution of food and non-food products serving grocery stores, convenience stores, hotels, restaurants and institutional customers in the Lower St. Lawrence and Gaspé regions, in parts of the North Shore and Lower North Shore regions and in northeastern New Brunswick. RTD operates a 120,000-square-foot distribution centre at Rimouski and its fleet of more than 50 trucks supplies more than 10,000 products to approximately 2,500 customers at locations throughout its territory.

RTD sales were approximately \$112 million in its fiscal year ended January 31, 2010 and the acquisition of this affiliated distributor brings its operating margins within Colabor. The transaction was financed from credit facilities available to the Company. RTD further strengthens Colabor’s presence in eastern Quebec and will bring appreciable synergies in procurement, operations and transport.

### ABOUT COLABOR

Colabor is a wholesaler and distributor of food and non-food products serving the retail market (grocery stores, convenience stores, etc.) and the foodservice market (cafeterias, restaurants, hotels, restaurant chains, etc.), in Quebec, Ontario and the Atlantic provinces.

### FORWARD-LOOKING STATEMENTS

This release may contain forward-looking statements reflecting Colabor’s opinions or current expectations concerning Colabor’s and RTD’s business operations and future events. These statements are subject to risks, uncertainties and assumptions. Actual results or events may differ.
