COLABOR GROUP INC. ANNOUNCES TRANSFER OF TROIS-RIVIÈRES WAREHOUSE OPERATIONS TO ST-NICOLAS

More than 20 jobs maintained to ensure high-quality service to local and regional customers

Boucherville, Quebec, January 14, 2015 – Colabor Group Inc. (TSX: GCL) (“Colabor” or the “Corporation”) today announced that it will cease warehousing operations at its Trois-Rivières facility at the end of March, resulting in the elimination of 60 jobs. In a consolidation of warehousing operations, the volumes concerned will be transferred to Colabor’s St-Nicolas warehouse. The Corporation has operated the Trois-Rivières facility since acquiring most of the assets of Marcotte Alimentation in 2014.

Colabor will maintain an active presence in the Mauricie region, retaining more than 20 sales and delivery jobs to provide the superior customer service that has made its reputation. In addition, a number of employees will be offered transfers to St-Nicolas.

“Colabor needs to proactively optimize its operating efficiency in a market that is fiercely competitive and at the same time is feeling the effects of difficult business conditions in Quebec. We regret the consequences of this decision for the employees and families affected and have taken equitable measures to provide them with all the support they deserve,” said Claude Gariépy, President and Chief Executive Officer of Colabor.
